

Disclaimer for the Paediatric Management Group Website

GlaxoSmithKline (GSK) and Pharmicare Limited t/a Aspen Pharmicare (ASPEN) offers products and services to diagnose, prevent and treat disease. Its prescription medicines for use by healthcare professionals are regulated by government agencies in each of the countries in which it does business. These regulations often restrict the prescribing information that can be disclosed to the public. You will therefore need to consult with your health care professional for advice about taking any prescription medication.

Nothing on this web site should be construed as the giving of advice or the making of a recommendation by GSK and/or ASPEN and it should not be relied on as the basis for any decision or action. It is important that you rely only on the advice of a health care professional to advise you on your specific situation. GSK and/or ASPEN accept no liability for the accuracy or completeness or use of, nor any liability to keep this information updated, the information contained on this web site. Any information copied from this web site will be used at the sole discretion and risk of the user.

This web site is a third party web site. It is a web site which does not belong to, is not endorsed by and is not in any way associated with GSK and/or ASPEN. GSK and/or ASPEN do not take responsibility for information found on third-party web sites, as these web sites operate outside the control of GSK and/or ASPEN. In no event shall GSK and/or ASPEN be responsible for the content, accuracy or opinions expressed on this or any third party web site.

GSK and/or ASPEN links (if any) to this web site do not imply approval or endorsement by GSK and/or ASPEN of this web site or any product, opinion or publication on the web site. While GSK and/or ASPEN attempt only to provide information or links with third-party web sites that comply with all applicable laws and regulations and GSK and/or ASPEN standards, please be aware that the content on third-party web sites is subject to change without notice to GSK and/or ASPEN.

Any medical and pharmaceutical data in any links or information published by GSK and/or ASPEN on this web site is supplied for general information purposes only. Please consult your health care provider if you have any questions or concerns.
