Request for Prizes at the Wits Paediatric Fund Events

As part of our Fundraising and Public Awareness strategy, the Wits Paediatric Fund hosts a number of events throughout the year. Our events are varied and so attract members from all levels of society to provide a platform and an opportunity to contribute to a better quality of healthcare at our beneficiary hospitals.

I am writing to ask your company to be part of two specific events that we have coming up.

1. The 4th Wits Paediatric Fund Golf Day

On Friday, July 29, the Wits Paediatric Fund is expecting to host 120 Golf Players to a prestigious tournament at the Woodmead Golf Course. The purpose of the event is to raise funds for the Kangaroo Mother Care program at Chris Hani Baragwanath, Rahima Moosa Mother & Child, and Charlotte Maxeke Johannesburg Academic hospitals.

We request a contribution to the “welcome packs” that each golfer will get. You may donate your branded product (NOT clothing, unless you would like to be an official partner) OR you can contribute a monetary donation toward the gift.

If you prefer to contribute a smaller number of higher value items, we would also welcome hampers for the prize giving (four of the same, to be awarded to a participating four-ball) or a hamper for inclusion in the raffle at the prize-giving dinner.

2. The Wits Paediatric Fund Breakfast Club

Based on the popularity and success of our breakfasts, we have extended the calendar to host a total of THREE Breakfasts. At each breakfast we expect between 100 and 120 guests. You may choose to donate towards one or all three of the Breakfasts. We would like contribution towards the gift bags.

Date: 07 April 2011

Breakfast with Chris Van Wyk (renowned multi-award winning author)

Date: 21 July 2011

Breakfast with Juanita Knox (landscaping and gardening guru)

Date: 27 October 2011

Breakfast with Deshun Deysel (one of the most celebrated females to climb Mt Everest and other summits)

We hope you will be able to help.

Sincerely,

Lebogang Ngwatle
